VTigerCampaignTest.tearDown(io.
cucumber.java.Scenario)

(S) Test the delete functionality of
campaign

(F) VTiger campaign create delete
functionality test scenarios

The screenshot displays the vtiger CRM interface. At the top, the vtiger logo is on the left, a search bar with the placeholder 'Type to search' is in the center, and a row of icons (plus, calendar, bar chart, checkmark, and user) is on the right. Below the header, a 'DASHBOARD' tab is active. The main content area is titled 'My Dashboard' and features a 'Revenue by Salesperson' widget. This widget shows a message: 'No Opportunities matched this criteria'. Navigation links 'Prev' and 'Next' are positioned above and to the right of the widget, respectively. On the right side of the dashboard, there are buttons for 'More', 'Add Widget', and a dropdown arrow. The footer of the page states 'Powered by vtiger CRM - 7.4.0 © 2004 - 2023 Vtiger | Privacy Policy'.
